Thanks very much for your letter in reply to my telegram.

I take the liberty to advise you that the U.S. Department of Justice, Immigration and Naturalization Service has granted me officially yesterday the Permanent Residence in this Country and will receive the Alien Registration Card in about ten days.

I have plans to visit Washington on September 24, if so, I will phone to see whether is possible to call on you for a few minutes and have the pleasure of meeting you personally.

With my best wishes and regards, I remain,

Sincerely yours,
